

Our changed route

Diversion tramlines 8, 21, 23, 24 and 25 due to work being carried out on Coolsingel + Churchillplein

Saturday 20 February up to and including Friday 26 March 2021

Work will be carried out on Coolsingel and Churchillplein from Saturday 20 February up to and including Friday 26 March. This work means that tramline 8, 21, 23, 24 and 25 will use diverted routes.

General travel advice:

Use the travel planner on the website or the RET Real Time App for personalised travel recommendations.

Tramline 8 Kleiweg – Spangens

Follows the regular route from Kleiweg to the Kruisplein stop and then continues the regular route to Spangens via the stops at Eendrachtspolein and Museumpark and the temporary stop at Vasteland. Tramline 8 follows the same route back to Kleiweg from Spangens.

Tramline 20 will not be in operation while the work is being carried out

Tramline 21/24 De Esch – Woudhoek/Holy

Follows the regular route from De Esch to the Oostplein stop and then proceeds to Woudhoek/Holy via the Kipstraat, Meent and Pompenburg stops. Tramline 21/24 follows the same route back to De Esch from Woudhoek/Holy.

Tramline 23 Beverwaard – Marconiplein

Follows the regular route from Beverwaard to the Wilhelminaplein stop and then continues the regular route to Marconiplein via the stops at Vasteland, Museumpark, Eendrachtspolein and Kruisplein to Rotterdam Centraal via platform F to platform A. From Marconiplein tramline 23 follows the same route back to Rotterdam Centraal via platform C to platform E and then to Beverwaard via the diversion.

Tramline 25 Carnisselande – Schiebroek

Follows the regular route from Carnisselande to the Wilhelminaplein stop and then continues the regular route to Schiebroek via the stops at Vasteland, Museumpark, Eendrachtspolein and Kruisplein. Tramline 25 follows the same route back to Carnisselande from Schiebroek.

Keep in mind that your journey may take longer and that you may need to transfer to the metro and/or other tramline(s).
